FR: Mike Colmant, Airport Manager 

RE: Completion of Tenant/Sub-tenant Rebadging and  
Badge Office Schedule Changes

This is to advise you of our activities currently underway in the Access Control Office. KCIA will complete rebadging current badge holders on February 7, 2003. Until then, the office will remain open from 9 AM to 4 PM Monday through Friday (closed from 1:30 to 2:30 for lunch). A critical element of the Airport's new security program is that all airside personnel wear their new badges effective immediately. We will provide further information to you regarding our program in the coming weeks.

Any remaining employees without new badges need to complete the process before February 10. A number of people have submitted their badge applications, but have not come into the badge office to get their badges. Your employees will need their new badges starting February 10, so please review the badge status of your employees and make arrangements for them to pick up their badges. If driving certification is required, they must successfully complete the ARFF driver-training course before receiving their badges.

Starting February 10, the Badge Office will open from 2:30 PM to 4:30 PM, Monday through Friday, to badge new tenant and subtenant employees and contractors. We will also continue to issue visitor badges to those tenants who request them for visitors who go airside.

Your support of the new KCIA security program is critical, and we appreciate your cooperation and assistance in implementing the new badge program over the last few months. If you have any questions, please call Christa Little, who is coordinating the rebadging effort, at (206) 296-7426 or Donna Brudevald, our Badge Office staff person, at (206) 296-7411 during Badge Office hours.
